Everything started from a millennium ago. The battle between the Demon King who wanted to conquer the world and the Hero who tried to stop him.

This war from Year 1,000.

Chapter 1: The Beginning

The battle doesn't have a closure, and so it continues from generations to generations, until now.

I'm going to the vending machine over there.

The battle between the Demon King and the Hero is still on-going.

If its you, I'm sure you can conquer the world.

Please
be our
boss!

Especially
people on the
streets,
whenever I
made eye
contact with
them, they'd
be attracted
to me

Plea..
Please
...!

It is
annoying and
a hassle,
isn't it?
sorry

So
annoy-
ing!

No, I'm
rushing...

NO!!

Kaget is
someone
in this
shop.

Why is it
so
vague?

Can't I
fix this
weird
body of
mine?

Is there
a way to
bring me
the Holy
Grail?

If we have
more details
it wouldn't
be fun

Who cares,
how annoying
I just want it to
end quickly

CLASH

that gives me
shivers
down
my
spine

Ah
do you
belong to
this shop?

That's great!
We want to
discuss
something
with you
guys

Yes...
What's the
matter?

Excuse
me then.

OPENS

I got a
fucking thing
to me in my
chest

I got a
fucking thing
to me in my
chest

Please
take a sit
inside.

Terehoo!
Welcome
back!

No!!
That's so
embarrass-
ing..!

Don't call
me like
that

Every
generation of
my family,
there would
be someone
who claims
the title of the
Demon King.

The person who
has the marking
will become the
medium for it
and has to bear
the title of the
Demon King.

And one day,
the Hero and
the Demon
King will meet
and have to
fight each
other

I admit, so
please stop
calling me
like that

So you're
really the
Demon King
huh ?
Tenchou-
san

No matter how much I look, I think that he don't look like a hero."

It seems like he look like a hero."

Okay, so sorry for introducing ourselves so late,

this person here is the 20th generation of Hero. His name is Kamiko.

And, this building is already purchased by us.

The contract should be coming within a few days.

...and?

There's only one reason we visited you today,

and the reason is to subjugate the Demon King!

What? • Subjugate?

You're really dumb.

**done in
by him?**

**... I
must be**

...huh?

But you have
to live
together with
Kamiko-san.

This is the only
condition.

look
around

What a
dirty room.

don't up

don't up

don't up

—

don't up
don't up
don't up

Leave if you
don't like it
I won't stop you

Don't

Hey.. This
is my
chair!

Are you
kidding
me..?!

No I'm
not

Come
here..

Your thoughts
are so child-
like, it doesn't
match with
how you look

I really did not
expect that a
Hero would
really come
looking for me

I thought it
was just a
joke

I'm hundred
percent
serious though

Don't worry, I will
only do it after I
receive certain
level of consent

What
level of
consent
?"

Just now you
mentioned
about weird
things, do you
mean your butt?

Oh
yeah.

I do have a
motive for
accepting the
conditions

No!

You predicted that
I will do weird
things to you, then
why do you still
obey by the
conditions?

It will
eventually do
after our
relationship
between each
other deepens.

Even those
who do not
get involved
via the first
meeting

Especially di-
natured
people they're
involved
easily even if it
is our first
meeting.

I have a
body that
will involve
the people
around me.

But this + with
the abnorma
body can be
quite a little
something

To be
honest,
I'm
always
troubled
by it.

What do you mean? Don't blame me if I tell you in your sleep!

Really? But isn't it much more interesting if you're planning something?

I already said not to call me Devil King! I have a name too!

Uwa-ah!

Yes this is it, conquering this kind of devil king who will always fight back will give me a sense of achievement!

What are you saying? Is totally diff.!

Hmm... Makoto is it?

Is similar

So just
give up
and let
me do it
soon.

From the first
time I set my
eyes upon you, I
have already
decided to
conquer you.

Don't
be silly.

Ah ah! If you
kneel down
and beg me, I
might consider
about it!

The
ordinary
battle
between
the Devil
King and
the Hero
has started!

TO BE CONTINUED
NEXT ISSUE

Huh?! Who
will want to
do it with
you?

After all
you're so
evil
looking!

A very big thank you to everyone—

-Although the setting is a bit weird, but I felt happy working on this project. I hope the readers will like it! LOVE!

-When I started on the story, I considered adding a Hero that wanted to conquer the world. But I realize that it wouldn't be romance, so now, it became like this.

-There is warrior, magician, gamblers kind of occupation.

-The first title I have originally thought of is "Goodbye World Conquest".

Editors and everyone related and help with this project,
Thank you very much!! Special thanks to cnu too!!
